Dear Parent (s)/ Carer,

In light of the new data protection requirements we have reviewed our procedures for collecting permissions from parents and tried to include as many as we can in one letter which will then travel with your child through school.

We would be grateful if you could fully complete and return this updated permission form indicating your preferences. We can assure you that the utmost care will be taken to ensure the safety and sensitive use of all your child's information. Could I remind parents that we also ask that permissions for images of children other than yours are dealt with sensitively on your own social media e.g. pictures from Class Dojo shared on your Facebook account.

Where we use online companies for things such as Class Dojo, Mathletics and Reading Eggs we have satisfied ourselves that they are compliant with data protection requirements.
