

Welcome

Welcome to the final half term of Year 6! We hope you all had a lovely and restful break. There is lots happening this half term, with plenty of exciting events and activities ahead, so please take the time to read all the information in this leaflet carefully. Thank you for your continued support!

Summer term 2 2026

The school gates open at 8:40am and register will be taken at 8:50am. If you are later than 9am, the gates will be closed, and you will need to report to the front office.

As we move towards the end of the school year, it is important that standards do not slip. Children are expected to wear the correct school uniform each day, including:

- plain black shoes or trainers
 - a white polo shirt
 - grey skirt or trousers.

If children wish to wear earrings, these should be plain stud earrings only, with one in each ear. Hairbands should be plain and match school colours, and no other jewellery (such as necklaces or bracelets) should be worn. Please also remember that make-up and nail varnish are not permitted in school.

At Home

Even though SATs are now over, it is important that children continue to maintain good learning habits at home.

We encourage all children to:

- Read at least 3 times a week
- Practise regularly on TTRS
- Complete their Learning by Questions tasks

More than ever, this is an important time to encourage independence when accessing learning at home, helping children prepare for the transition to high school.

Transition

The dates for Temple Moor transition are Wednesday 8th and Thursday 9th July.

Children who are having **additional transition at Temple Moor** should have been contacted now. If you haven't had an email and you think your child should be having additional transition in preparation for the high school, please get in touch with Mrs Carley and Mrs Carlton.

What are we learning this half term?

In **English**, we will be writing a persuasive advert based on a toy they will be designing.

In **Maths**, we are still practicing arithmetic to ensure we remain sharp and precise with this. We are also completing reasoning and problem solving questions that challenge us! We have been really enjoying doing these questions!

In **Science**, we will be learning all about light.

Our **History** topic is a new one for this year! Our topic questions is, 'What was it like growing up in the 20th century?'

Our **DT** topic is about building something with electrical components. We will be researching, designing and making a steady hand game which also links to our history and English topic.

Key Texts this half term

For the last half term we will be reading the final year by Matt Goodfellow

For concerns or queries relating to your child's learning, your first point of contact is one of the Year 6 class teachers.

The easiest method is to speak to one of us at the end of the school day.

However, you can also contact us via the below email address:

UKS2@tnhps.rklt.co.uk

General Queries
