

Templenessam Halton Primary School
Curriculum Intent statement - History

History fires pupils' curiosity to ask questions and know more about Britain's past and that of the wider world. At Templenessam Halton we strive to engage our children in learning about the past, how it has shaped our present and its impact on our future. Pupils will develop a chronological framework of British history that will enable them to make sense of significant historical events in the wider world. The curriculum will engage learning through a sense of adventure, valuing hands on experiences and will provide opportunities to ask questions, evaluate evidence and to communicate informed responses in a variety of ways.
