Key Instant Recall Facts

Year 2 – Summer 1

I know the multiplication and division facts for the 5 times table.

By the end of this half term, children should know the following facts. The aim is for them to recall these facts instantly.

5 x 1 = 5	5 ÷ 5 = 1
5 x 2 = 10	10 ÷ 5 = 2
5 x 3 = 15	15 ÷ 5 = 3
5 x 4 = 20	20 ÷ 5 = 4
5 x 5 = 25	25 ÷ 5 = 5
5 x 6 = 30	30 ÷ 5 = 6
5 x 7 = 35	35 ÷ 5 = 7
5 x 8 = 40	40 ÷ 5 = 8
5 x 9 = 45	45 ÷ 5 = 9
5 x 10 = 50	50 ÷ 5 = 10
5 x 11 = 55	55 ÷ 5 = 11
5 x 12 = 60	60 ÷ 5 = 12

Key Vocabulary

What is 5 **multiplied by** 7?

What is 5 **times** 9?

What is 60 **divided by** 5?

They should be able to answer these questions in any order, including missing number questions e.g. 5 x ◯ = 40 or ◯ ÷ 5 = 9

Top Tips

The secret to success is practising little and often. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey? You do not need to practise them all at once; perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.

Songs and Chants – You can buy Times Tables CDs or find multiplication songs and chants online. You can use websites such as TTRockstars, www.timestables.co.uk and www.timestables.me.uk.

Spot patterns – What patterns can your child spot in the 5 times table? Are there any similarities with the 10 times table?

Test the Parent – Your child can make up their own tricky division questions for you e.g. What is 45 divided by 5? They need to be able to multiply to create these questions.
