EYFS Outdoor area

Thank you to the EYFS parents who attended the opening of EYFS Outdoor learning area. We will hopefully be starting our installation of solar panels through Red Kite and our commitment to lowering our carbon footprint and saving money. We do not anticipate any disruption but will update you when we have more details and a definite start date.

Football Freddie
Written & Directed by Ruth Cooper & Andrea Heaton

The story of a little girl. With a big love of the beautiful game And her Great-Great-Great Uncle. Who shares the same name.

A new show for children and their grown-ups about football, team-work and the joy of joining in.

FREDDIE FARREN is a little girl who loves football but is too nervous to join in a game in her local park. Out of a magical photograph steps Freddie's Great-Great-Great Uncle Fred: a real footballer from the olden days. Uncle Fred takes Freddie back in time where they re-live footballing glories of old. Freddie renews her confidence and enthusiasm and everyone joins in a good old-fashioned kick around. This imaginative and original show features integrated audio description throughout.
