Child Friendly Safeguarding Policy

What is Child Protection?

At Templenewsam Halton Primary School, all the adults think that your health, safety and well being are very important. We respect you and want to keep you safe. We do our best to help you to make good progress in your learning and to be happy. We teach you how to recognise risks and how to stay safe.

How will we try and protect you?

We try to provide a safe environment for you to learn in. We want to make sure you remain safe at home as well as in school. If you need to talk, we will listen. We think it is important for you to know where to get help.

Tell someone if someone is....

- Being unkind to you or you think you are being bullied
- Saying things to you that upset you or make you feel uncomfortable
 - Touching you, hitting or hurting you
 - Taking your things
- Sending unkind messages on the internet or on your phone

Who you can talk to...

If you are worried about something you can talk to any adult in school.
