Big Welcome to all our new staff:

Mrs Matthewson (Yr2)

Miss Goddard (LKS2)

Miss Hitch (SendCo)

Miss De Naeyer (Yr5)

They have had a super week with all the children.

Grow £5

Our grow £5 has certainly taken off this week.

Thank you for all your support with this – we are hoping that this will give the children some valuable lessons in finance and financial responsibility.

Permissions Letter

A Letter came out this week with the permissions on for photographs/local walks. Please ensure these are returned as soon as you can.

Reminder

If you have changed your phone number, email or address, please let the office know so that we have up to date information for you.

Up Coming Dates Letter

A letter will be coming out next week with all the dates for the coming year. This will be added to, but we hope it will give you notice for some of the activities/trips and events we have planned. It will also go on the website.

Scooters and Bikes

Please do not let your child scoot or cycle across the playground as there are too many people, small children and we do not want any accidents.

RAAC

I hope the letter regarding RAAC has put minds at rest. We had a full survey in 2022 and no RAAC was found in the building.

Donations

Mrs Welford would greatly appreciate donations of indoor plants, real or fake for the classroom and the Y3/4 shared area. Please drop any donations in to the office. Thank you.

ScoPay

There have been some technical issues with scopay this week, resulting in incorrect charges being added to some accounts. We are on with investigating and resolving these issues. Thank you for your patience.

Fire Alarm

The children have been evacuated from the building 3 times this week. This has been caused by a fault on one of the sensors, which we are rectifying. The children all remained calm and reacted brilliantly to the disruption and evacuated very sensibly and gathered together in their classes beautifully.

We hope everyone has a great weekend
