Mission Christmas Support

Mission Christmas support children all over the city who are living in poverty. LKS2 are supporting this worthy cause so if you would like to also support then the final call for donations will be Monday 16th December. Please give donations to the year 3 and 4 teachers.

National Databank

National Databank exists to provide SIM cards for people who can't access the Internet and works like a food bank but for mobile data. Over the festive period the national data bank is hosting databanks in every O2 store, helping those in poverty stay connected to services and loved ones. More details at the link here: <https://www.o2.co.uk/national-databank>

Learning Celebration

Last call for any photos or information to be sent through to feature in the Learning Celebration next week. Please send these through to info@tnhps.rklt.co.uk

Breakfast Club Drop-Off

Polite reminder to ensure you are walking your children to the door for breakfast club drop off. As it is very dark in the morning, we struggle to see children walking across the playground on their own, so to ensure their safety, please walk with them.

Aussie Outback – Theme Menu

We are putting on a special menu in January which will be free to all children to try, even if they also have a packed lunch. Please see the planned menu at the bottom of the newsletter.
